Wesleyan deserves the confidence and support of all of our people because:

1. It is the property of the church and thoroughly loyal to its teachings and ideals.
2. It is one of Methodism's best equipped colleges for women, and the Faculty is composed of efficient teachers trained in the best colleges and universities of Europe and America.
3. Its standards are high and the institution lives up to them.
4. It pretends to do no work for which it is not equipped.
5. Wesleyan offers the best college courses in the Languages, Literature, the Sciences, Mathematics, History, Economics, the Bible, Philosophy, Education and Home Economics. 6. The student must be a high school graduate and present at least fifteen units of high school work for entrance. There are no sub-Freshmen.
7. The College makes the best possible provision for the physical, social and spiritual welfare of the students.
8. The students come from the best homes of the country and constitute one of the finest groups of young women in America.
9. Wesleyan has the greatest alumnae body in the South.
10. The rates are reasonable.

PART III—REPORTS

REPORT OF BOARD OF MISSIONS

Number One

Your Board desires to call especial attention to the status of our Centenary payments.

In spite of the utmost diligence on the part of our Missionary Secretary, and of the presiding elders, and pastors, our Centenary payments have fallen far below any previous year. And since our conference receives ten per cent of the total payments for use in carrying on our work, this shortage presents a serious situation, and unless it can be corrected in the early part of next year, our missionaries will be compelled to live and work on smaller appropriations. In view of this fact, we think the conference should appoint a "Pay-Up Week," at which time we should endeavor to collect all the unpaid balances due, including the fourth installment which will fall due January 1st, 1922.

We recommend, therefore, that you set apart the week from March 19th to 26th, inclusive, as "Pay-Up Week," on the Centenary, and that pastors and local treasurers do their best to secure full payment of the fourth year on January 1st.

Respectfully submitted,

J. B. MITCHELL, Chairman.

C. E. GUTTERIDGE, Secretary.

Report Number Two

Your Board desires to submit a special report on Lake Okeechobee Mission.

At the beginning of the year we created "Lake Okeechobee Mission," to cover and care for the Everglades lying along the shore of Lake Okeechobee from Bare Beach around eastward to St. Lucie Canal, and down several of the drainage canals, including Bare Beach, Miami Canal, Canal Point, Bacom's Point, Pahokee, and other points.

Rev. C. C. Cecil was placed in charge and later in the year was given an additional helper. Our Missionary Secretary was instructed to raise a building special in the bounds of the conference, and the Home Department of the Board of Missions undertook to contribute toward this special dollar for dollar. The sum total raised on this special from both sources has amounted to six thousand five hundred ninety-two dollars and twenty-five cents (\$6,582.25). The expenditures for buildings have amounted to \$6,945.14, leaving an unpaid balance of \$352.89. With this money we have erected churches at the following places: Bare Beach, \$1140.08; Miami Canal, \$558.22; Canal Point, \$838.21; Bacom's Point, \$578.30; Pahokee, \$3050.67, including \$1000.00 donated for lot; and parsonages at Pahokee, \$525.56; and Bare Beach, \$454.10.

We estimate that for next year we should have three men in that field and not less than \$4800.00 for their expense. Besides the salary of these men we should have not less than \$3000.00 with which to erect small churches at five other places. The shortage in payment on Centenary pledges and in the collections for conference work is such that your Board will not have the money to meet these estimates. They must be met or we must in a large measure fail to meet our opportunities in the Everglades, and if we fail now we shall in all probability lose the field permanently.

In view of these things we recommend that a "Special" be raised

for the Okeechobee Mission and that a collection on the same be taken at this conference.

Respectfully submitted,

J. B. MITCHELL, Chairman.

C. E. GUTTERIDGE, Secretary.

Report No. 3

With profound gratitude to God for His manifold blessings upon our missions, our missionaries and their work, and for the signal way in which the Holy Ghost has manifested His presence and power, your Board of Missions brings to you its report for the year.

From the communication of Dr. W. W. Pinson, Secretary of the General Board, we are informed that gracious revivals and unparalleled ingatherings have characterized the year in both the home and foreign fields. These large gatherings call for an increased number of missionaries and trained workers, both in the home lands and in the foreign fields, and we are rejoiced to report that large numbers of our young people are pledging themselves to life service, and to definite forms of Christian ministry.

Among the significant developments of the year has been the thorough going policy of the Home Department, which has worked out a comprehensive city mission policy; a survey of our territory, both rural and urban, the holding of schools for rural pastors and for city workers; and the development of standard mission training schools in co-operation with training departments of the Sunday School Board. This latter is commended to our pastors with the request that they do all in their power to promote mission training classes in their churches.

The individual church is the unit in our connection. Through this unit everything must be done: the Centenary pledges must be collected through this unit; the ministry must be recruited through this unit; revivals must be conducted through this unit; Christian education must be carried forward through this unit; and all the rest must finally come down to this unit. It is highly important, therefore, that our mission charges, of which we have seventy-three for the year just ending, shall be supplied with a class of missionaries so well equipped in head and heart that they can and will develop this unit,—the local church,—to the nth degree of its possibilities.

The Centenary

We have already placed before you the status of payments on Centenary pledges. The solemn fact is that we face both moral and financial disaster unless these Centenary pledges are honestly redeemed. No revival can save a people from moral disaster when that people has become financially dishonest. We must redeem our Centenary pledges. Moreover, unless we collect the \$277,000 and more dollars due us on pledges, already past due, we shall not be able to meet the necessities that are upon us in Florida. We shall have to face the alternative of abandoning portions of the field, or of reducing the salaries of our missionaries when they are already at an irreducible minimum. But we believe that our people mean to pay every dollar of their Centenary pledges. It will require work—honest, persistent, earnest work—to bring to the attention of every pledger this fact. But nothing short of this will absolve us of our duty.

We urge, therefore, that all our pastors and laymen take to heart the collection of the Centenary pledges in their churches; and that the pay-up week, which you have set for the week, March 19-26, be made a sure enough pay-up week. During this pay-up week we

should collect all unpaid pledges on the first, second, third and fourth years. And the monies should be promptly sent to our Centenary treasurer, Roger Dodd, Ocala, Florida.

Administration Matters

We have done our utmost to handle and use your money with the strictest economy. A monthly report is required from our conference missionary treasurer.

The policy of grading our missions into three grades, and of reducing the appropriations annually on grade A and B, has already proven a good policy, and will be continued.

A monthly report is required from our Conference Missionary Secretary. Quarterly reports from our missionaries are required, approved by the presiding elder, before payment of the appropriation. And this policy will be continued.

Requests for appropriations to missions are made on blanks provided by the Board. These requests will hereafter be approved by the district missionary committee and the quarterly conference of established missions before being acted upon by the Board. This cannot apply to new missions, which the Board may desire to form with the consent of the bishop.

Missionaries are required to secure permission from the Board before engaging in any other work.

Preaching places may not be discontinued on any of our missions without the consent of the Board.

Conference Missionary Secretary

We have been urged by the General Board to continue employing a conference missionary secretary, who shall give all his time to the Conference Board of Missions and the Centenary Commission. We think this a most needful thing. Our Missionary Secretary, Dr. Ira S. Patterson, has been in labors abundant and faithful during the year past. No better man could be found, and none so familiar with every part of our field, and every phase of our missionary work. His knowledge, his wide sympathy, his accurate sense of detail, his sane judgment, and his unimpeachable integrity pre-eminently fit him for this place, and we, therefore, request the Bishop presiding to appoint Rev. Ira S. Patterson, Conference Missionary Secretary, (as provided in Par. 289 of the Discipline).

Evangelists and Evangelism

We recommend the appointment of Rev. J. S. Chapman and Rev. J. B. Culpepper as conference evangelists (as provided for in Par. 286 of the Discipline).

We recommend Rev. Frank P. McCall and Rev. Will H. McLeod to the general committee on evangelism for general evangelists; and that they be endorsed as conference evangelists together with Rev. Sam A. McCook, Rev. T. E. York, and Rev. H. L. Ezell.

Our evangelists have held many gracious revivals and have brought into the church a large number. It is our judgment that our endorsed and recommended evangelists should be used as far as possible within our own conference. If they can and do hold successful revivals outside of Florida, they can and will hold them in Florida, if given a chance.

At the beginning of the year we again urge all our pastors to give themselves earnestly and definitely to the promotion of a revival that shall reach every home in their charge. To this end we urge again the pre-Easter campaign. For two years we have conducted in many of our churches this pre-Easter campaign, beginning at least thirty

days before Easter, and concluding Easter day. The results have been wonderful.

Brethren: I am pleased to report that I have carefully examined the records and accounts of your treasurer and am pleased to say that same are carefully and neatly kept.

Individual accounts are kept against each assessment and each appropriation, and all vouchers balance with the records.

I have carefully checked every voucher in every account and the "Recapitulation" carried in the ledger is a true and accurate statement of the standing of all accounts for the year 1920. All vouchers are carefully numbered and filed.

REPORT OF THE BOARD OF EDUCATION

Number One

To the Bishop and Members of the Florida Annual Conference:

We, the members of the Board of Education, submit to you this report.

We give thanks to God for His guidance in our Educational campaign, and acknowledge our indebtedness to the faithful pastors, pre-

siding elders, secretaries and directors and to all who have aided us in this work in gifts of service, substance and sacrifice.

We note with great pleasure the progress of our educational work throughout our connection. We deplore the fact of our inability to give Christian educational advantages to all who knock at our doors. The more than 5,000 volunteers who have laid their lives upon the altars of our Church and are asking of us the advantages to qualify themselves for the work to which they feel divinely called presents to us a problem of no less proportions and significance of a call from God to answer this demand.

By reason of the destruction by fire of our principal college buildings at Sutherland in January of this year it became necessary to find temporary quarters for our institutions. Through the timely and devoted thoughtfulness of E. T. Roux, the splendid hotel owned by him at Clearwater Beach, with its entire furnishings, was placed at our disposal without charge only that we should carry the insurance until permanent quarters for the institution were established.

Immediately after the fire the Board of Trustees of Southern College, vested with the responsibility of the care and maintenance of the college, after months of careful and prayerful consideration of the entire field, along with the propositions submitted to it, selected Lakeland as the permanent location for Southern College, which action of the Board of Trustees this Board heartily endorses. We find that this action provides not only a location for the college, but furnishes a source of revenue equal to an endowment of approximately \$200,000.00. In this connection we desire to express our appreciation to the citizens of Lakeland for this splendid gift of property costing \$127,000.00 and additional gifts in the form of bankable notes amounting to \$48,000.00 and service from the city of electricity and water amounting to \$50,000.00.

After a study of the personnel and work of the faculty we are glad to say to you that we believe we have the strongest faculty in the history of the college, and, while the attendance this year is necessarily limited for lack of quarters to care for a larger student body, the class of work in the school is commendably high. We confidently look forward to the time when we are housed in our permanent buildings, the plans for which have been adopted by the Board of Trustees and drafts are being made; which will be a credit to our great church and which will amply reward those who have made sacrifices making possible this modern educational plant in that it will provide for the growing demand for Christian education in our conference.

We recommend Rev. R. H. Alderman for appointment by the presiding Bishop as President of Southern College; Rev. Olin Boggess and Rev. G. F. Scott members of the college faculty; and Rev. G. E. Summers as student in Emory University.

We recognize the indispensable service rendered by our universities, and particularly are we glad to note the phenomenal growth of Emory, its increased attendance and its devotion to the standards and principles that have always been dear and fundamental to our Methodism. We heartily commend this university as the place where our young people should seek their higher education.

We commend the system of ministerial supply and Christian training being conducted by our Church and urge our young people to avail themselves of the advantages this system offers.

Our Conference Training School that has been conducted for the past two years has been a great benefit to the several departments of our Church's interests in Florida, and the standards maintained affords at our doors the same advantages offered at the general summer training schools, making possible by reason of the limited cost,

for many of our people to equip themselves for better service. We endorse the action of our boards in establishing and maintaining this school and recommend that all our pastors bring it prominently before their congregations and induce as many as possible to attend.

In connection with the Educational campaign we recommend to you for adoption the following resolutions:

First. That the presiding elders in the first round of the quarterly conferences secure accurate reports from the pastors and church collectors of directors concerning the quotas and the amounts already subscribed, and concerning the general economic conditions in each charge.

Second. That we urge our people to pay promptly their educational subscriptions when they fall due; that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall due November 1st, we fix that first week in November as Pay-Up Week.

Third. That because of the disastrous fire and our dire necessity for funds with which to start our new buildings, we recommend that the third week in January next be set apart as a time for securing the payment of the pledges due November 1st, of this year, which may remain unpaid.

Fourth. That if church collectors in any charge or charges have not been elected, they should be elected at the first quarterly conferences of the ensuing year.

Fifth. That where the original pledge cards have not been sent to the Educational Secretary the pastor arrange to have them sent to him at an early date.

We recommend to the Bishop and Cabinet for appointment as Educational Secretary-Treasurer Rev. S. W. Lawler.

Respectfully submitted,

L. W. DUVAL, Chairman.

JOHN A. HENDRY, Secretary.

REPORT OF BOARD OF EDUCATION

Number Two

We submit this our supplemental report for the Board of Education:

After a careful consideration of the report of our Educational Secretary we have ascertained that our conference failed to reach its quota in the Educational campaign by about \$20,000.00, due doubtless to the failure in some charges to carry out the plans and put on the campaign. We earnestly urge the pastors of those charges who have not carried out the plan to immediately make an every member canvass for education and the presiding elders to assist the pastors in completing the work that our conference may subscribe its quota.

We respectfully request the presiding Bishop to appoint a committee consisting of three presiding elders and two laymen, none of whom shall be a member either of our Board or of the present Board of Trustees of Southern College, for the purpose of recommending to this conference for election Trustees of Southern College under the charter as amended.

We have requested the Commission on Finance to make the same assessment for educational purposes as we have had during the past year,—\$18,000.00.

Recognizing that if we succeed in our educational work in Florida it is imperative that the members of the conference stand solidly in

support of our institution, we prayerfully beg of every one of you to give your new Board of Trustees your undivided loyalty and Christian co-operation in the stupendous task of rebuilding your college plant.

L. W. DUVAL, Chairman.

JOHN A. HENDRY, Secretary.

BOARD OF TRUSTEES, SOUTHERN COLLEGE

Number One

The Board of Trustees of Southern College beg leave to report that they met in the First Methodist Church of Tampa, May third and fourth, and after full discussion of all the offers made by Tampa, Lakeland, St. Petersburg and Fort Pierce, it was moved and seconded that the offer of Lakeland be accepted and it was adopted.

At the annual meeting of the Board, held at Sutherland, May 24th, 1921, the action of the Board locating the college at Lakeland was approved and L. W. Duval was requested to take all legal steps to change the charter of Southern College so as to conform to the action of the Board in locating the college at Lakeland.

In accordance therewith the Board of Trustees of Southern College offers the following preamble and resolution to the Florida Annual Conference for adoption:

Whereas, at a meeting of the Board of Trustees in the First Methodist Church, Tampa, Florida, May 3rd and 4th, this Board accepted the proposition of the city of Lakeland, Florida, for the location of Southern College; and

Whereas, the Board of Trustees ratified and confirmed their action of locating the college at Lakeland at their annual meeting held in Sutherland, May 24th; and

Whereas, the charter of Southern College has been duly and legally amended;

Therefore, be it resolved that the Florida Annual Conference approve and confirm the action of the Board of Trustees and that Lakeland, Florida, be and hereby is designated as the location of Southern College.

J. EDGAR WALL, President.

W. A. COOPER, Secretary.

Number Two

Your Board of Trustees of Southern College beg leave to report that we have labored through fire and flood to save the institution and to maintain the high standard of religion and scholarship during the days of storm and stress. There was great rejoicing that no lives were lost during the fire even though the financial loss was large. The Board had just finished its work of enlarging the capacity of the girl's dormitory and it was filled with earnest students. This work had been done at the cost of \$25,000.00, but the fire completely destroyed the building.

Your Board met in special session and through the generosity of Mr. E. T. Roux in offering to us the use of the Clearwater Beach Hotel we were able to reopen the school without the loss of the student body or of time. The work of the school was continued and both the student body and the faculty testified their loyalty to the institution by their fidelity to the work. Your Board of necessity had to erect several buildings for the boys' dormitory and class rooms at a cost of \$21,000. After the fire came the storm and the winds blew and the floods beat against the houses but they stood and the work of

the school was immediately taken up and continues until this day.

Your Board would be ungrateful and derelict in its duty did it not testify to the courage and fidelity of President and Mrs. Alderman and several others of the faculty and student body who refused to seek their personal safety but elected to remain on the island and struggle against the storm king in order to save our property and to protect the school.

Your Board is also glad to report that there is peace and harmony among the officers, teachers and students of the college at this time. There is a spiritual atmosphere in the school which will contribute to the development of the religious life and deeper consecration of the student body.

The president in his report to the Board of Trustees truly says:

"Our financial problem has always been a very serious one. Since the income from students pays only one-third of the operating expenses, we have had to depend upon the education assessments and contributions for the balance. It takes at least \$25,000 a year over and above the income from tuition to maintain a standard college. We have had for operating expenses less than half this sum and have had to face a deficit each year. We are looking forward to the time when our Educational Movement will bring relief from this embarrassing situation."

One other item of finance should be stated in this report and that is that just before the fire over five thousand dollars of new equipment, with \$5,000 of supplies had been put into the college, the loss therefore in the new buildings and equipment, with the cost of the buildings at Clearwater Beach to our loss was more than the insurance on the buildings.

Your Board desires to call your attention to several changes in the charter of the college governing the election of the Board of Trustees, which are as follows:

Report Number Three

The members of this Board shall be elected in accordance with the provisions of our charter as amended: Eleven ministers and eleven laymen shall be chosen or designated by the Florida Conference of the Methodist Episcopal Church, South, at the session of the Florida Conference of the Methodist Episcopal Church, South, held in the year 1921; three ministers and three laymen shall be chosen to serve as trustees for the term of one year; four ministers and four laymen shall be chosen to serve as trustees for the term of two years; four ministers and four laymen shall be chosen to serve as trustees for the term of three years; annually thereafter as vacancies occur the term of trustees shall be for the term of three years. There shall also be chosen three trustees who shall be members of the Methodist Episcopal Church, South, and alumni or alumnae of Southern College or its predecessors, to be known as alumni trustees, and they shall be chosen in the following manner:

The Board of Trustees at its annual meeting in June, 1922, shall elect seven members of the alumni-ae of Southern College or its predecessors whose names shall be printed upon a ballot to be mailed to each alumnus or alumnae by the secretary of the Board to be voted for as trustee: the one receiving the highest number of votes shall be elected as trustee for the term of three years, the one receiving the next highest number of votes shall be elected to serve as trustee for the term of two years, and the one receiving the third highest number of votes shall be elected to serve as trustee for the term of one year: annually thereafter as vacancies occur one trustee shall be so nominated by the alumni-ae and the term of office shall be for the term of three years. The Alumni Trustees so nominated shall

be recommended to the Florida Annual Conference for election.

The term of office of all trustees of this institution elected thereafter by the Florida Annual Conference shall begin at the end of the sessions of the Florida Annual Conference at which said trustee may be elected.

We therefore call to your attention that the term of all the trustees expire at this session of the Florida Annual Conference and that a new board is to be elected.

J. EDGAR WALL, President.

W. A. COOPER, Secretary.

RESOLUTION ON SALE OF PROPERTY

Resolved, That the Board of Southern College request the Florida Annual Conference of the Methodist Episcopal Church, South, to authorize said Board of Trustees to sell, at such time, for such price and upon such terms as it may determine for the best interests of Southern College all real estate and personal property now owned by Southern College at Sutherland, Florida; and be it further

Resolved, That the said Board of Trustees of Southern College request the Florida Annual Conference of the Methodist Episcopal Church, South, to authorize the said Board of Trustees to sell, manage and dispose of any and all real estate that is now owned by Southern College as investment property during the year of 1922 as it may determine; Provided that nothing in this resolution shall be construed to authorize said Board of Trustees to sell or to dispose of any real estate in Lakeland, Florida.

L. N. PIPKIN, Vice-President.

W. A. COOPER, Secretary.

RESOLUTION ON SOUTHERN COLLEGE

Whereas, it was the purpose of the Board of Trustees in negotiating and accepting the property in Lakeland, Florida, known as the Fraley property for educational purposes to hold such property for the Florida Annual Conference; and

Whereas, the Board of Trustees before accepting the deeds to the real estate offered by the citizens of Lakeland to Southern College secured the opinion of competent counsel and had their services in the matter of the conveyance of said property, and acted upon the advice of counsel, that under the laws of the State of Florida, it was not necessary to include in the deeds the "Trust Clause" as published in the Discipline of the Methodist Episcopal Church, South, in order that Southern College, the corporation, hold said property in trust; therefore be it

Resolved that the Executive Committee of the Board of Trustees of Southern College be and they are hereby charged with securing a Declaration of Trust or such other instrument as they may be advised by competent counsel to insure to the Florida Annual Conference of the Methodist Episcopal Church, South, the holding of said property in trust for educational purposes in such manner as to make it impossible for the Board of Trustees of Southern College to dispose of by conveyance of any kind the said property without first having obtained the consent and approval of the Florida Annual Conference of the Methodist Episcopal Church, South, and that such Declaration of Trust or other instrument be recorded in the County of Polk in the State of Florida; and be it further

Resolved, That any other real estate that may hereafter be conveyed to Southern College, the corporation, by the citizens of Lakeland

for educational purposes shall be safeguarded in like manner for the use and benefit of the Florida Annual Conference of the Methodist Episcopal Church, South.

Signed.

L. N. PIPKIN, Vice-President.

W. A. COOPER, Secretary.

BOARD OF CHURCH EXTENSION

This year records great progress in the realm of church building. The large number of members coming into the church and the renewed building spirit reveals the vitality of its spiritual life. Old style church architecture is being replaced by modern and well arranged buildings which provides for the departmental features of our church life and activities.

Dr. S. H. C. Burgin, our General Secretary of Church Extension Board, declares in his annual report to this conference that "Progress continues to be the watchword of your General Board. The total income from all sources for the year ending March 1st, was \$1,450,769.51, about \$397,000 of this coming from the Centenary, while that of the previous year was \$1,324,061.31."

In our own conference the J. C. Ley Loan Fund with only a nominal assessment has grown to be real help to many of our small churches. It has reached the sum of \$8,467.65. We wish to call the attention of the pastors of those churches obtaining loans from this fund that the principal and interest should be paid when due, so that other places equally as needy and as worthy may have the help they are so earnestly seeking.

Many sought aid this year, who will receive very little, if anything, because of the lack of funds at our disposal.

We ought to have at least \$50,000 in our Conference Loan Fund to meet the growing needs of our conference. Only about 30 per cent of the amount asked for could be granted.

The amount coming to our Board from the general assessment this year was \$2,340.46; from the J. C. Ley Fund assessment was \$535.64.

Applications for aid were granted as follows:

Churches		Donation	Loan
Church	District		
Vero -----	Miami -----	\$ 150.00	\$
Cocoa -----	Miami -----	150.00	300.00
Carr Street, Palatka -----	Miami -----	150.00

Apopka -----	Orlando -----	200.00	500.00
Nebraska Avenue -----	Tampa -----	200.00	
Total -----		\$2350.00	\$2050.00

The assessment levied by the General Board is the same as last year, \$7,655.00; that for the J. C. Ley Fund, \$800.00.

We recommend that the fourth Sunday in March be designated as Church Extension Day in our conference and ask that the pastors preach on the subject and take a collection to be added to our donation fund to aid struggling churches in our conference.

Respectfully submitted,

SMITH HARDIN, President.

F. E. STEINMEYER, Secretary.

SUNDAY SCHOOL BOARD

In presenting our report of the Sunday school work for the year now closing, we wish to express our gratitude to God for His gracious help; and to all our presiding elders, pastors and our noble band of Sunday school workers who have labored faithfully and co-operated with us in our plans.

Training School

We recognize the Sunday school as a part of our system of Christian education. We are directing our attention to the elevation of the standards of work done. To this end, we conducted a Standard Training School at Clearwater Beach in June, in co-operation with the Board of Missions, which was a pronounced success. The attendance was very gratifying and the work done, fully met the requirements of our Teacher Training Department at Nashville. The results of this school were sent to headquarters, and the Department issued 151 Credits, 3 Incomplete Diplomas, 2 Blue Seal and 1 Gold Seal Diplomas; a total of 157 credits. A large number of our workers attended the Junaluska Training School, receiving 62 additional credits and diplomas.

District Organization

The splendid results to be obtained by a thorough organization of the districts are clearly demonstrated in the Jacksonville District. For several years a District Training School and District Bible Class Federation have been conducted by the District Secretary and committee. The results have been most helpful to the work in this district.

It is one item in our plans for the coming year to secure an organization in every district.

Sunday School Federation

This was formally called the Wesley Bible Class Federation, but now includes all departments of our work; hence the change in name.

Our Federation met in St. Petersburg; was conducted on departmental lines and was an inspiring, stimulating occasion.

The attendance was not quite so large as in other years, but the good accomplished was broader in its scope.

Organization and Administration

In this item, there has been improvement in many schools. Thirteen Primary Departments have been organized in as many schools; better systems of records; graded lessons placed in thirty-one schools; twenty-six classes organized; a number of Circuit Conferences promoted, and several new schools are some results in this department.

Centenary

Very nearly all our schools made a pledge to this movement and have met the payments promptly. The last published report of

amounts paid by the schools to this cause showed our conference held first place. We trust we can maintain this position.

Field Workers

Realizing that our work has made much more rapid progress in every way since we placed a secretary in the field, twelve years ago, we desire to continue two workers. We have employed Prof. F. M. Williamson as Field Secretary, and Miss Lola Lawler as Elementary Superintendent for next year, and ask your endorsement of this action.

Budget

Our budget for the coming year is the same as last year; and we ask for an allotment of \$10,000 in the Conference Budget. The items of our budget are attached hereto.

Field Secretary:			
Salary	-----	\$3,000

Plans

Our plans for the coming year include: 100 per cent observance of Sunday School Day in every district; a Conference Training School at Clearwater Beach; a larger attendance at Junaluska School; an efficient working organization in each district; more complete organization and more efficient administration in the local schools. We ask for your hearty co-operation in carrying out these plans.

We pledge our loyal and hearty support to the Centenary, the Orphanage, and each department of our church life to which we can in any way contribute.

Respectfully submitted,

S. W. LAWLER, Chairman.

A. H. COLE, Secretary.

EPWORTH LEAGUE BOARD

Your Board is gratified that it is able to report such substantial and unprecedented progress in League work in our conference during the past year. This is partly evidenced by the following figures:

At last Annual Conference the number of chapters reported was 166. At this date they number 214, an increase of 48 chapters, or 29 per cent over last year, against an increase the year before of 7 per cent. The Leaguers pledged at their Assembly of 1920, \$3268.00 for

African Special, and at close of their League year in June of 1921, they had paid \$3396.00. At this Assembly last June they pledged for their next year to pay to African Special, \$4140.00, besides pledging \$1900.00 to help your Board pay the salary and expenses of our Field Secretary. At last conference the Life Service Volunteers numbered 100; now there are 131. One year ago there were three Epworth League Unions; this year there have been four new ones organized, making seven at the present time, and within the next two months three more will be organized, making ten in our conference. This will place it undoubtedly in the lead of other conferences as to number and efficiency of Epworth League Unions. League unions are mediums thru which the interest and efficiency of the local chapters are wonderfully increased and our young people are trained in a larger way than the local chapters can do.

Miss Alice Crone, the Field Secretary employed by your Board, has, since March, covered the State in Epworth League work. Its worth has been partly made apparent to you thru the above figures, but her greater service as a spiritual leader and teacher of the young people has been made manifest to the pastors on the local charges as they have seen her in her labors. It will suffice to say that she has not neglected the out-of-the-way places, but facing cheerfully some trials and inconveniences, she has carried her messages of efficiency, inspiration and spirituality to those in need. Her work has been a great factor in bringing the Epworth League work of our conference to its highest point of interest, efficiency and spirituality, in bringing many souls into the Kingdom of God, and in winning volunteers for life service in home or foreign fields.

At this point we, your Board, mindful of the greatness and importance of this work, make the request that you appropriate for Epworth League work the sum of \$2,000, the same amount as last year, that we may keep this worker in the field.

As an important advance in our work we would call your attention to the "Florida Epworthian," a monthly League paper that is being edited by our State League organization. Publishing this paper is an important step and we feel that it has done and will do much toward increasing the interest, efficiency and general progress of our League work.

Your Board wishes to call your special attention to the "Correlated Plan" thru which the work of the Junior Epworth Leagues, and Junior Missionary Societies are co-ordinated and made more widespread and effective. This plan is being supported by the State League organization and by the Woman's Missionary Society of our conference. Its plan in detail is outlined in the Year Book of our last Epworth League Summer Assembly, or can be obtained from the League headquarters. We call upon the pastors to familiarize themselves with this plan and to see that it is adopted in their charges wherever possible.

It is the plan of your Board to see that the League work is presented during sessions of the District Conferences, either by our Field Secretary or by some member of this Board, and in this we would like to enlist the effective co-operation of the presiding elders.

We would urge that League Anniversary Day, the second Sunday in May, be universally observed over our conference, and that where possible the Epworth League be given charge of one of the church services on that day; or where there is no Epworth League, that some of the young people be given charge of a service.

The Epworth League is rapidly proving that it is the one thing needed and adequate to hold the young people to the church, bring to them spiritual growth, give them the opportunity and desire to win souls; teach them how to do social service work and help us make

of the church of today a "Church of service, not merely of profession;" to place before them a wholesome program of Christian recreation; to call workers to life service in the home or foreign fields; and to make of our young people the enthusiastic, aggressive, trained, and consecrated leaders of our greater church of tomorrow.

We close by asking the continued and increased co-operation of our ministry in this important work.

S. A. WILSON, Chairman.

D. D. DIEFFENWIERTH, Secretary.

C. E. EARNEST, Chairman.

L. P. McCORD, Secretary.

BOARD OF TEMPERANCE AND SOCIAL SERVICE

The conference notes with approval and gratification the constantly increasing interest among the Christian citizens of the State in all matters affecting the moral and human welfare of all classes of our people as expressed in better legislation and law enforcement protective of the rights, spiritual, physical, and political, of our children, of juvenile delinquents, the poor, orphans, the blind, and prisoners, and other classes dependent on the mercy and charity of the State and its people.

We want to commend in the strongest and most appreciative terms the executive conduct of the State's Chief Executive officer, the Governor, for his fearless, outspoken enforcement of the State's Sunday laws, the prohibition laws and other human welfare laws. And especially do we commend the repeatedly and publicly announced position of the Governor that he will remove from office any official of the State who refuses to enforce the laws of the State upon the subjects of whiskey, gambling, and the statutes protecting the Sabbath from illegal desecration.

We deplore the lax enforcement of the prohibition laws in some sections of the State and request our pastors and laymen to lead popular movements to bring public sentiment and public co-operation to the support of the Anti-Saloon League, the State and Federal officers and municipal officers who are endeavoring to make the enforcement of the anti-liquor laws efficient and thorough, and to this end we recommend that special services shall be held in the churches to emphasize the duty of all good citizens to join in the enforcement of those laws. We recommend that C. W. Crooke be appointed as Superintendent of the Anti-Saloon League of Florida.

W. A. COOPER, Chairman.

C. W. MATHISON, Secretary.

BOARD ON LAY ACTIVITIES

We, your Board, beg to submit herewith some observations and suggestions for the work of the laymen of our conference and the peculiar place of privilege and power they now occupy in the life of the church.

With the success of the Missionary Centenary and Christian Education Movements the lay forces of the church played no small part, but the subscription and the collection of these pledges is one and the same work and we therefore call upon the district, charge and church leaders of this conference to get squarely behind the latter phase of these movements and see that they fail not in their objectives for lack of follow up work.

The work of every interest of the church as represented by the several boards, general and conference, are absolutely tied up with and contingent upon our making good in dollars and cents the pledges we have made to the building of the kingdom through these two movements.

We therefore urge that in every church the lay forces place themselves squarely behind the work of the church and use the minute speakers, the bulletins and all other educational means to keep the conscience of the church membership sensitive on the subject of these two great movements.

We urge that the lay leaders of the several districts in co-operation with the presiding elders see to it that there is some religious service held in every church in the conference every Sunday in the year.

We urge the budget system of finance upon all our church officials

with weekly or at least monthly payments of the finances of the local church so that there will be no necessity of eleventh hour appeals to "pull the church out in full."

We respectfully request the aid of the Sunday school superintendents, the Missionary Society and the Epworth League officers in putting on a full program of lay activities in each charge in the conference during the year 1922.

We recommend the putting on of an intensive campaign, by the lay forces of the conference, of cultural work early in the new year looking to the informing, enthusing and consecrating of every member of every church in the conference to the great task of building the spiritual life of the local church and through them the world-wide kingdom.

We nominate for our Conference Lay Leader for next year, Mr. L. P. McCord, of Jacksonville.

For the Committee,
J. H. THERRELL, Secretary.

THE ORPHANAGE BOARD

The Orphanage Board reports a year of gratifying grace and work, with corresponding satisfactory results.

Without invidious comparisons we feel it to be a work of no minor importance, being a place of refuge, as a last resort for the orphaned children of preachers and laymen alike.

And the Board is grateful to all charges, preachers, superintendents, individuals, educational bodies, doctors, dentists and others who in any way have contributed to the welfare of these children, particularly to Dr. Cason, who has given diligent service and Mrs. Brooks, who has shown unfailing devotion to the cause.

The Orphanage property consists of the original seventeen acres and the home, to which have been added during the year eleven acres of orange and grapefruit grove, which this year will yield some fruit, the grove costing \$7,000, of which \$2,000 has been paid, and also a new boys' dormitory, built of brick, costing \$10,000, entirely paid for, and the installation of a new water power plant and storage tank. The total value of the property being \$35,000.

The number of children reported at the last Annual Conference was forty-seven, to which there have been added during the year thirty-one, returned to guardians, eight; dismissed, having attained legal age, two; leaving total inmates in orphanage, seventy-one, including three in boarding schools—two at Brevard and one at Montverde.

Fourteen girls and three boys are studying music and all of the children receive training in chorus singing.

All are regular attendants at Sunday school. There is a Senior and Junior Epworth League and the Intermediate League won the Conference Banner.

There have been only two cases of illness, the general health being excellent, due largely to wholesome food, open air sleeping, swimming pools, etc.

The farm, under the cultivation of the boys, superintended by the farmer, produces a large part of the vegetables used, as well as canning supplies for the winter.

Live stock consists of 350 chickens, 100 ducks, 12 hogs, 2 cows, and one horse.

Estimated value of clothing received, \$877; of feed stuff, \$135. The

pressing need now is a new sleeping porch for the girls, and enlarged dining room facilities, which will cost \$3,000.

Also a baby dormitory to relieve the crowded condition of babes and girls in some quarters, and a high school recitation and study hall to provide education for children above grammar school grades, since the county of Volusia does not grant a teacher for this department and the Orphanage is now paying for a resident teacher who has at this time eight pupils doing high school work.

And, if the conference is really intending to build a modern orphanage it is necessary to arrange for suitable buildings and equipment for vocational training, since this important department so necessary to fit the children for life's work is all in the future.

The Board respectfully asks that in view of the fact that at this time one-third more children are being provided for than there were last year that the appropriation be \$15,000.

For information the Board wishes to report that whereas there was raised for all purposes during 1920, the sum of \$9,714.00, there has been raised during the past year, 1921, with the agent in the field, the sum of \$19,687.00.

The Board respectfully recommends:

- (1) That the agent be retained in the field.
- (2) That Dr. J. R. Cason be appointed by the Bishop as Superintendent and Field Agent.
- (3) That the pastors receive him in their churches to plead for the orphanage and co-operate with him in the work.
- (4) That in view of the fact that there are now one-third more children being cared for, with many more on the waiting list, that the assessment be \$15,000.
- (5) That the conference treasurer receive and handle the Orphanage money as a separate item and that the Conference Commission on Finance recommend the assessment be distributed among the districts as are the other assessments and request the district stewards to lay the Orphanage collection as a separate item from the conference work budget.
- (6) That each Fifth Sunday be observed as Orphanage Day in the church and Sunday school and that each Sunday school superintendent and pastor be requested to present the claims of the Orphanage, raising the collection by free-will offerings.
- (7) That the following changes in the Board be recommended:
Dr. J. P. Hilburn is nominated in place of Dr. T. J. Nixon; J. E. Foxworthy in place of J. W. Tucker; E. T. Roux in place of R. L. Phillips; J. H. Mercer in place of A. R. Curry; Col. T. L. Wilson in place of W. H. Cassidy.

The financial report in detail, having been duly audited, is attached to this report.

FLORIDA METHODIST ORPHANAGE,

TRUSTEES OF FLORIDA CHRISTIAN ADVOCATE

Your Board is glad to report that this has been a better year than usual for the Advocate, its circulation having advanced at one time to above 5,000. It is now about 4,800. This increase has been largely due to the adoption, by a number of our churches, of the budget plan; and we earnestly urge our churches to adopt this plan wherever possible. Under this plan, if generally adopted, it should be possible to

run our circulation up to 10,000 copies.

Again we have to report that we have been greatly aided in the publication of the Advocate by the co-operation of the Florida Methodist Publishing Company, without which our difficulties would have been much greater. In return for this, we should give this Company our co-operation, by our patronage in every possible way.

As directed last year, we have entered into a new publishing contract with this Company for five years.

Our endowment fund has grown but little during the year, mainly because of the Educational campaign. We again recommend that this fund be built up, by voluntary subscriptions, to as large an amount as possible.

We recommend the re-appointment of Rev. J. Edgar Wilson as Editor and Publishing Agent, and of Rev. D. B. Sweat as Assistant Editor.

The terms of three members of this Board having expired—L. D. Lowe, J. D. Major and W. F. Johnson—we recommend their re-election for the four year term.

In the Centenary and Educational Campaigns, in securing the splendid new site for Southern College, and in other forward movements of the conference, our paper has borne an active and very helpful part. It has doubtless brought into the treasury of the church thousands of dollars for every dollar we have expended upon it, besides exerting a constructive and helpful influence in our homes and churches. We most earnestly urge our pastors to do all in their power to put the Advocate into the homes of ALL our people; that its ministry may be thereby greatly enlarged.

We request that the Advocate assessment be placed for the coming year at \$4,000.00.

L. D. LOWE, President.

J. F. BELL, Secretary.

BOARD OF CHRISTIAN LITERATURE

Two reports were referred to us: one from the Publishing House and one from the Christian Advocate.

We are pleased to know that the business of the Publishing House has increased during the last year nearly half a million dollars; and the net profits have increased nearly two hundred thousand dollars.

We recommend to our people the large number of useful books carried by our Publishing House.

We are glad to report that the Christian Advocate continues to maintain its high standard as a Christian paper. It is indispensable to our church in carrying on our great enterprises. We most heartily commend it to all our people.

Our Sunday school literature still maintains its high rank; and we urge that it be used by all our Sunday schools.

Our own paper, the Florida Christian Advocate, continues to grow in interest and usefulness. It is indispensable in carrying on our conference work. We commend it to our people and respectfully urge our pastors to do all in their power to increase its circulation.

C. A. SAUNDERS, Secretary.

TRUSTEES PREACHERS' RELIEF FUND

The Trustees of the Preachers' Relief Fund beg leave to report that through the labors of our very efficient agent, Rev. B. K. Thrower, our Miami superannuate home, an excellent house, valued at \$6,000.00, has been completed, and the Tomkies Memorial in Tampa will soon be ready for occupancy.

We have set \$5,000 as the addition to our endowment to be raised during 1922. To this end we bespeak your prayers and co-operation in behalf of the "Old Guard," our honored superannuates.

We respectfully request the reappointment of Rev. B. K. Thrower as agent for the Board for the ensuing conference year.

COMMITTEE ON DISTRICT CONFERENCE RECORDS

We, your committee on District Conference Records, have carefully examined the records of each of the nine district conference records of the conference and found them neatly and properly kept except that the Ocala District Conference record has no signature of the president.

We wish to commend the district secretaries for the excellent manner in which their journals are kept.

Respectfully submitted,

C. W. MATHISON, Chairman.

MRS. C. S. GARDNER, Secretary.

SABBATH OBSERVANCE

Your Committee on Sabbath Observance calls the attention of the conference and the church to the fact that the Christian Sabbath, or Lord's Day, is no ordinary day, because that all Christianity has its foundation on the Lord's Resurrection Day, and must be distinctively kept if Christian, as well as social and civil life is to succeed.

Therefore, we urge that our preachers vigorously proclaim that no Christian can be in a right relationship with God who does not pay due respect to the day so closely connected with our justification from sin.

Second, That we urge every Christian to strenuously oppose every act of social and civil life that tend to disgrace the day.

Third, That we push in every possible way the enforcement of our laws made for the protection of the day, especially against Sunday baseball, moving picture shows and other forms of amusements unworthy of the day, or the securing of laws that will prohibit the same.

Fourth, We recommend that our preachers present this cause at least one Sunday in the year in every church and Sunday school in the conference.

L. MUNRO, Chairman.

PAUL KENDALL, Secretary.

RESOLUTION OF APPRECIATION

Whereas, Brother John W. Veach, who died in Orlando, Florida, July 3rd, 1884, left all of his estate to his wife, Mrs. Sarah G. Veach, to be used in her life for her support, and specified in his will that the larger part of whatever was left at her death, which occurred December 11th, 1899, was to be divided as follows: One half to the worn-out preachers of the Florida Conference and the other half to the Reverend J. B. McFerrin or his successors to be used equally for the foreign and domestic missionary cause; and

Whereas, about nineteen (19) years after the death of the said Sarah G. Veach the authorities of our church collected nearly Ten Thousand Dollars (\$10,000.00) for the above-mentioned cause;

Therefore, be it resolved, that this paper be published in our journal in loving remembrance of their gift and devotion to the Church of Christ, and to show our thanks to our Heavenly Father for this blessed gift made by Brother John W. PART IV.

Memorials To The General Conference.

Memorial Number One

We therefore memorialize the General Conference to add a paragraph to the Discipline to substitute for the present ritual on infant baptism the ritual in use as published in the Discipline of 1906; or to so change the present ritual as to conform to the teaching of article number seven on Original Sin.

Signed,

H. E. PARTRIDGE,
and adopted by the Conference.

Memorial Number Two

Whereas, our conference claimants are annually increased in numbers, and in needs; therefore, be it

Resolved, That the General Conference at its approaching session be petitioned by the Florida Annual Conference with other conferences to authorize the Board of Finance to arrange within two years, or by the middle of the ensuing quadrennium, to raise for its superannuate endowment fund the sum of not less than ten millions of dollars to be administered under the terms of its charter for the claimants.

Signed,

E. J. GATES,
and adopted by the Conference.

Memorial Number Three

Whereas, it appears that the law providing for the deeding of property for school purposes, as stated in paragraph 494 of the Discipline is ambiguous; and whereas, it is of vital importance that all church property for school purposes should be so secured to the church as to as nearly as possible eliminate all doubt as to the title of such property.

We therefore memorialize the General Conference to add a paragraph to the Discipline containing a Trust Clause as follows:

"In trust that said property shall be used, kept, maintained until disposed of as a place for educational purposes for the use of the ministry and membership of the Methodist Episcopal Church, South, subject to the Discipline, usage and ministerial appointment as from time to time authorized and declared by the General Conference of said church, and by the Annual Conference within whose bounds said property is situated."

Signed,

J. P. HILBURN.
C. FRED BLACKBURN.
and adopted by the Conference.

Memorial Number Four

We, the Florida Annual Conference, respectfully memorialize the next General Conference to enact the following:

That the General Boards of the Church shall include in their membership one member elected from each Annual Conference within the bounds of the Annual Conferences in the United States.

Signed,

W. A. COOPER,
and adopted by the Conference.

That the law regarding the term of appointment of any preacher or presiding elder be made the same that it was immediately prior to the General Conference of 1918; that is that the time for which any bishop may appoint a preacher or presiding elder to the same charge be four years, with the same exceptions as in the Discipline of 1914.

Signed,

MRS. P. N. KING,
and adopted by the Conference.

Memorial Number Five

Since our Church has granted the rights of the laity to the women of the Church; and whereas, the superintendents of Sunday schools and presidents of Epworth Leagues are, by virtue of their office, members of the Quarterly Conference; be it

Resolved, That the General Conference be memorialized by the Florida Annual Conference to change the law so that the presidents of Woman's Missionary Societies will be members of the Quarterly Conferences.

Signed,

MRS. J. M. GROSS.
MRS. C. W. WHITE.
and adopted by the Conference.

PART V—MEMOIRS

Rev. John T. Coleman

Rev. John Thomas Coleman was born in Merriwether County, Ga., December 2nd, 1847, and died in Tampa, Fla., June 9th, 1921.

When he was ten years of age his parents moved to Talladega County, Alabama, and there he grew up to manhood, and lived for a good many years.

He united with the Church in 1865, when he was 18 years old and in 1869 was licensed to be a preacher of the Gospel.

In the year 1879 he was admitted on trial in the North Alabama Conference of the Methodist Episcopal Church, South, and completed the prescribed course of study in four years.

While living in Alabama he married Miss Elizabeth J. Ramsey, with whom he lived happily until her death on May 26th, 1892. On account of illness in his family he located and for several years served the church as a local preacher.

In January, 1894, Brother Coleman was readmitted into the traveling connection at the session of the Florida Annual Conference, held in Palatka. During his active ministry in the Florida Conference he served the following charges: Levy Mission, Wildwood Circuit, Kathleen Circuit, Bowling Green Circuit, Leon Circuit, Kings Ferry and Woodville Circuit.

He took the superannuated relation in the conference in 1902, but after four years in that relation he again became active, and during the years of 1906 and 1907 he was pastor of the Woodville Circuit. This was his last charge, and again he was placed on the honor roll, where he remained until God called him to his reward.

After moving to Florida, Brother Coleman was married to Miss Leonora M. Riviere, of Alachua County, Fla., who made him a devoted wife, a faithful helper in his ministry, and a true Christian mother in the home. Two sons were born to them. Coke Pierce lived to manhood, and died in the service of his country during the world war, and now sleeps in a soldier's grave in Tampa, Fla. The other son, Thomas Earle, lives with his mother in Tampa, and has recently answered the call to preach the Gospel, and is now getting ready for his work.

Our dear brother has lived a useful Christian life and we know where to find him.

"Servant of God well done,
Rest from thy loved employ,
The battle fought, the vict'ry won,
Enter thy Master's joy."

T. J. NIXON.

Rev. Thomas Walker Tomkies

The subject of this memoir was born in Hanover County, near Ashland, Virginia, January 24th, 1846, and passed to his heavenly home from Tampa, Florida, November 25th, 1921. He was born and reared in a Christian home and was converted when a mere lad. He availed himself of all educational advantages of that early time and prepared himself for teaching in which he engaged for several years and for his life work in the Christian ministry.

His call to the ministry was clear and definite and under divine compulsion he gladly gave himself up to preaching the gospel. He

felt that divine honors had been conferred upon him and he was not disobedient to the heavenly vision. When a young man of twenty-three, December 13th, 1869, at Lake City, Florida, he was admitted on trial into the Florida Conference, and from that time until he was released from earthly service, he never turned aside a day from his sacred calling.

It is an interesting fact that when he was a boy of 17 years he heard and answered his country's call to arms and followed Gen. Robt. E. Lee through two bloody years and when he surrendered with his gallant commander at Appomattox, the war closed with him, and no bitterness was harbored in his heart for his former foes.

Loyalty and obedience to his country prepared him for high service and invincible courage under the captain of his salvation. How gentle he was and yet how brave. He never quailed before any foe. He was a good soldier of Jesus Christ. His ministry embraced the larger part of this conference. His appointments were as follows: Concord Circuit, one year; Fernandina, three years; St. John's Circuit, one year; St. Matthews Mission in Jacksonville, one year; Orange Springs Circuit, two years; Archer Circuit, four years; Newnansville Circuit, two years; Leesburg-Orlando District as presiding elder, four years; Apalachicola station, two years; Sanford station, one year; presiding elder Jacksonville District, three years; Tallahassee District, three years; Orlando District, four years; Gainesville, one year; Tampa Heights Mission, one year; Fort Pierce, four years; Palmetto Mission, one year; South Boulevard, Tallahassee and Havana, three years; Tarpon Springs, two years; Boca Grande, two years; Manatee, two years; Eighth Avenue and Edgewood, Tampa, two years—a grand total of fifty-two years of itinerant service.

His ministry began before there were any modern conveniences. There was no railroad south of Jacksonville—no South Florida—no East Coast—all of the southern part of the peninsula was largely a physical desolation. Many of his appointments were what we call hard ones, involving frequent and long absences from home, and many hardships, sacrifices and small salaries, but none of these things tempted him to secularize and to enjoy the comforts and ease of life. In his fifty-two years what an enviable record he made—what history he helped to write. He helped to lay deeply and wisely the foundations of Florida Methodism and rear the splendid superstructures thereon, that is our pride and joy today.

Dr. Tomkies married the woman of his choice, Miss Anna Timanus, September, 1874, in Fernandina, Florida, who stood by his side for 47 years, the mother of his sons and daughter, the faithful and devoted wife until the end. She shared willingly his trials and hardships and rejoiced in his triumphs and successes. The noble deeds, privations and sacrifices of the heroines of our Methodist itinerancy, are they not recorded in the chronicles of the skies?

Dr. Tomkies was a true gospel preacher. His sermons were invariably characterized by systematic and orderly arrangement, clearness and continuity of thought, and flawless logic and above all by forceful presentation of the gospel truth as to carry conviction to mind and heart. Had they been written they would have been models of sermonic literature.

The literary embellishment was not an end but the means of enforcing the sacred truth. His sermons were always reinforced by the man who was back of them. His stainless reputation and irreproachable character were appreciated by his brethren. No finer spirit ever dwelt among us. His wife says that no brighter jewel ever adorned a home. The characterization of the Holy Spirit of Barnabas is true of our ascended brother. He was a good man, full

of faith and of the Holy Ghost and much people were added unto the Lord. The Acts of the Apostles did not cease when St. Luke recorded his last words. Why not Apostles Wesley, Asbury, McKendry, Marvin, Galloway, Lambuth and Tomkies? Indeed, why not? Dr. Tomkies was a golden hearted man. I have not known a more lovable character. When the Prince of Orange died it is recorded that the children went through the streets weeping. The children loved Brother Tomkies—he always had a smile and a kind word for them. Goldsmith's Village Pastor may have been recorded of our Brother Tomkies:

"Thus to relieve the wretched was his pride,
And e'en his failings leaned to virtue's side.
But in his duty prompt at every call,
He watched and wept, he prayed for all.
And as a bird each fond endearment tries,
To tempt its new-fledged offspring to the skies,
He tried each art, reproved each dull delay,
Allured to brighter worlds and led the way."

I do not claim any angelic attributes for our glorified brother, but I do claim, and justly, that the excellencies of our holy Christianity flowered and fruited in his life and ministry abundantly.

Billy Sunday in a moment of great inspiration while describing his reception in heaven reached a splendid climax when he said that Jesus would say: "Here, archangel, come show Billy to his mansion." Our brother had the ministry of angels here and doubtless in "the land of the unclouded day," arch-angels are his servants. How fully he appreciates today the dying words of Frances E. Willard, who has been appropriately called the uncrowned queen of America, "how beautiful to be with God." He is with God today.

I was with him for several hours and until the end came. As long as he was conscious he held my hand and would not let me leave his bedside. Just before he passed into the reveries of death, I said, "Brother Tomkies now at the close of life is the way clear?" He answered, "Yes, sir." "Have you any fear as you pass down 'into the valley of the shadow of death?'" And he replied, "No, sir." And in a little while, like a tired child upon its mother's bosom, he went to sleep, and the transition was so easy that we scarcely knew just the moment when his spirit was released. I am confident that he found the darkly rolling river of death only a rivulet. "There was no mooring of the bar when he put out to sea."

Mrs. J. S. Brooke

The subject of this memoir, the wife of Rev. J. S. Brooke, was born in Garstang, England, October 1st, 1843, and died in Delray, Florida, May 6th, 1921. She was married to Rev. J. S. Brooke in 1876. This union was blessed with six children. Three of these, Mrs. Knox, Mrs. Diamond, and Mrs. Mastenbrook, and their father remain to mourn their loss.

Sister Brooke was converted at fifteen years of age and immediately entered active Christian service as a Sunday school teacher, and continued this good work until near the time of her death. She loved this line of work and became quite proficient as a Bible class teacher. She was also a zealous worker in the Woman's Missionary Society. Her pastor writes that she magnified every relation of life, which made her a blessing to many; and that she was a power in

prayer, and her presence at any service was a benediction. These qualities and Christian graces made her a model wife for a pastor, a good mother and as her husband expressed it, "an every-day Christian." Her last words from one of her favorite hymns, "My times are in thy hands," breathes that confidence and resignation which has characterized her life of unselfish service and usefulness.

Sister Brooke rests from her labors and her works follow her. Let us who remain be encouraged by her example, to follow her as she followed Christ.

Mrs. Sarah Gertrude Mason

Mrs. Sarah Gertrude Mason was born July 7th, 1853, at Davisboro, Georgia; died February 23rd, 1921, at Miami, Florida.

In 1880 she was married to Rev. B. F. Mason who was many years a consecrated member of the Florida Conference and she knew well the work of a Methodist preacher's wife and always went cheerfully to the appointments where she delighted to serve the church in whatever way she could. Her faithful husband preceded her to the glory world three years ago where this happy couple were re-united in the going of Sister Mason.

She is survived by three children: Bernard Fay Mason, Key West; Mrs. Maude Mason Blackwell, Miami; and Charles G. Mason, also of Miami. She is also survived by two little grand-daughters and four sisters.

About two years ago she had a nervous collapse from which she never fully recovered. Skilled physicians did all in their power to restore her to her normal health, but to no avail, for she was never herself again.

It was the writer's privilege to be her pastor for a short time before her death and he always found it a real pleasure to visit her and talk with her as he could tell she had had real comfort and pleasure in doing her Saviour's will, for she loved her Lord devotedly and it was always her delight to do something for her church and family. Those who knew her best before her health failed, can truly say, "she was God's own anointed." Her faith in God was absolute and unwavering and her assurance was such that she turned to Him as a constant source of guidance through her every day life. In sorrow and misfortune her sympathies always found expression in gentle ministrations and kindly deeds. Since her husband's death she had made her home with her two children in Miami, Maude and Charles, where they did all in their power to relieve the devoted mother of the ills and pains which it was her misfortune to endure.

Her body was laid to rest in Gainesville by the side of her husband on February 25th, Rev. I. C. Jenkins, pastor of the First Methodist Church, officiating.

May God's richest blessings constantly be with the children, friends and loved ones and may we all meet in that sunbright clime where death is not known and peace and happiness shall reign eternally.

Her pastor,

S. A. WILSON.

Mrs. Mary Antoinette Blake

"But Zion is our home; Jerusalem, the city of our God.
O happy home O happy children here!
O blissful mansions of our Father's house!
Here are the harvests reaped once sown in tears:
Here is the rest by ministry enhanced:
Here is the banquet of the wine of heaven."

"The good die young," is not true, for God spared Mrs. Mary A. Blake to bless this world with her pure spirit nearly ninety-two years. Mary Antoinette Myers was born in Tallahassee, Florida, September third, eighteen hundred twenty-nine. Left an orphan at an early age, she made her home with her brother, Selim W. Myers, in Tallahassee.

She received the best education this country afforded at Wesleyan Female College, her brother, Dr. E. H. Myers, being at first professor and later president of this institution, while she was there.

In 1847, Edwin L. T. Blake was sent by Bishop Capers as pastor of Trinity Methodist Church in Tallahassee. He was then in his fourth year in the ministry. Young, handsome in person, courtly in manner, scholarly and pious, he could but be attractive to, and attracted by, the fair, cultured and deeply spiritual young lady of whom I am writing. The old, old story was repeated when they became husband and wife together, January 11th, 1848.

That Dr. E. L. T. Blake had so large and important part in planting Methodism in Florida is a fact of history; but the inspiration and personal service given by his devoted wife and helpmeet lives only in the memory of a very few, who still survive.

Their wedded happiness was uninterrupted until death claimed her noble husband, February ninth, eighteen ninety-seven. His death took place in Ocala, Florida. These forty-nine years were spent together, serving humanity and humanity's God, in the places their church appointed.

What unwritten volumes these years contain! No, not unwritten, for the recording angel writes in a book, and this record will gladden them thruout eternity. O, if the tears they dried, the sorrows they shared, the counsels they gave, the sacrifices they made, the lost they found! If all these should be written?

"Look backward! From thy lofty height survey—
Thy years of toil, of peaceful hopes outrun.
Look forward! Brighter than earth's morning ray
Streams the pure light of Heaven's unsetting sun,
The unclouded dawn of life's immortal day!"

After the ascension of her husband, in company with her daughter Jessie, she returned to the home of her childhood to spend her remaining days among relatives and friends of early life.

The mightiest influences are noiseless. The leaven works unseen, unheard, and in her little cottage home "where Jesus loved to dwell," was manifested a spirit of communion with God, and in love with all mankind. Frail of body, continually in pain, dependent on the strength of others, yet, no note of repining, no thought of self, she dwelt in loving trustfulness of God, and constant thoughtfulness of others.

Nearly nine years ago she was paralyzed, partially, and has been helpless ever since; never able to walk alone. For the past three months she had been confined to her bed, and her suffering was acute. She lost her sight some months before her death. Patient so long, when the shadows of this world wrapped her about, she longed for release that she might "go home."

When I saw her last she said, "Brother Patterson, I want to go home;" and in the dawn of the Sabbath, June twenty-sixth, her Lord cried to "The gates of Heaven, to lift up"—her loved ones on earth kissed her good bye for a season, and those who had waited so long for her coming, welcomed her to the "everlasting habitations."

From the church where her wedding vows were plighted, to a place beside her husband's dust, her frail body was carried, amidst

the tears of relatives and friends. Dr. Seymour Grady, pastor of old Trinity Church, conducted the funeral service.

She left four children: E. M. Blake, Washington, D. C.; Mrs. Florence B. Gorman, Brooklyn, N. Y.; Mrs. F. B. Biddulph and Miss Jessie P. Blake, Tallahassee, Fla., to follow her as she followed Christ, while four others preceded her, and awaited her coming.

For twenty-four years her children and friends ministered to her, but her constant companion and nurse through all these years, was her daughter Jessie. She not only lived with, but for her mother, and laid her life upon the altar of her devotion. No more beautiful picture of companionship and devotion has poet or artist ever drawn.

IRA S. PATTERSON.

Mrs Emily Denny Haynes

Mrs. Emily Denny Haynes, wife of Rev. L. D. Haynes, was born in England, February 14th, 1853, and departed for her heavenly home at Gainesville, Florida, Sunday afternoon, April 24th, 1921. Her parents were Thomas and Diana Denny, of England, her father being an active Methodist class leader for more than fifty years. She comes of the same family as that of Bishop Collins Denny. Hence her people began and continue in honorable activity in Methodism.

Sister Haynes was a great worker in the Sunday school, her heart being in that great activity of the church. She was teacher of a class in Hawthorne to which she clung, even after failing health, until she was too weak to stand and do the work. Something less than a year before her death, when her health was practically gone, she moved to Gainesville, but was never again strong enough to be active in the church work.

Her husband bears testimony to the fact that she was an unfailing helper to him in his pastoral work, and to the end they made a congenial and happy couple.

Brother and Sister Haynes were married Feb. 9, 1902, and both in active ministry and in retirement she was his true helpmeet. Some weeks before her death she had a fall and suffered the spraining of her ankle, and from that time she gradually failed until the end. She was a patient sufferer, ready to go, and submissive to the will of the Master.

She gave an unselfish life in labor in the Master's vineyard; she deserves the reward which was laid up as a crown of glory for the faithful. Brother Haynes is lonely without her, but cheerful in the love of God.
